

KIST PRESENTED A PAPER ON “RESEARCH AND PARTNERSHIP IN INDUSTRIAL DEVELOPMENT” ON AFRICA INDUSTRIALIZATION DAY

On Friday 27th November 2009 at La Palisse Hotel Nyandungu, a workshop was held on the occasion of Africa Industrialization Day, organized by MINICOM in collaboration with UNIDO.

For this occasion, various members of the private sector as well as the Rwanda Development Board (RDB) were invited to share their achievements and challenges they meet in the industry sector.

KIST, as a higher learning institution involved in promotion of industrialization in Rwanda, was also invited to share its experience in developing small scales industry. KIST presented a paper on “Research and Partnership in Industrial Development”, presented by Mr. Rajeev Aggarwal, the Acting Director of CITT.

One of the achievements of KIST in developing the industry sector was its partnership with UNIDO in installation of a Meat Processing Plant at CITT. The plant was visited by all the participants of the workshop at the end of day.
