

TBIF Sponsored 4 incubates to attend 10 days Entrepreneurship training offered by Private Sector Federation (PSF), Rwanda

Technology and Business Incubation Facility (TBIF) sponsored 4 of its' incubates to attend Entrepreneurship training offered by the Private Sector Federation, Rwanda from the 16th of February'09 to the 27th of February'09 held at PSF, Rwanda. This selection was based on a rigorous process including an interview.

The four incubates who participated in this training were;

1. Mr. Karegire Ariane, Event.org
2. Mr. Emmanuel Ndizeye, Wakala East Africa Limited
3. Eng. Timothy Kayumba, Energy Environment Company (EESCO)
4. Mr. Kabera Telesphore, Trends Pro Inc.

This training was aimed at enhancing the technical and managerial skills of potential business leaders. During the training participants were taught the 10 main habits an entrepreneur should possess. Among them; Information seeking, fulfilling commitments, undertaking calculated risks, and setting goals, among others. In his speech, the secretary general PSF strongly emphasized networking among the participants. After the training, certificates were awarded to participants.

This sponsorship was in line with TBIF incubates capacity building program which TBIF is currently undertaking. TBIF management congratulates incubates on the successfully completion of their training.
